- Preparation of technical specifications for tailors to ensure that the costumes fully match the sketches
- Arrangement and conduct of private fancy-dress events and photo sessions
- Development of ad campaign images both attractive and easy-to-remember for the target audience
- Creative realization of clients' any ideas

About me

I am Ekaterina Neveynitsyna, a costume designer.
I have been involved in cinema business for more than ten years

In 2011 I graduated from the Moscow State Textile University named after Alexei Kosygin majored in decorative textile design with a style designer diploma.
I worked in glossy magazines and fashion industry.

In 2013 I completed training courses headed by Dmitry Andreev and Vladimir Nikiforov for the assistant costume designer at MOSFILM motion picture studio.

Since then I have been actively working in cinema business.
Thanks to years-long work with craft professionals and participation in international projects I have accumulated huge experience in creation of artistic images.

I cooperate with a team of gifted professionals, and we will be happy to take part in your projects.
